As we draw near to the date of the First Annual Meeting we feel that a summary of activities would be in order.

We have a good meeting scheduled. Time will be devoted to group discussion of the convenience store operation, the present and future, problems and suggestions, exchange of ideas between operators and suppliers. We will have as speakers: Mr. J. J. Stoudenmire, National Cash Register; Mr. Joe McCormick, Quality Bakers Coop; Mr. Harold Brunette, Anheuser-Busch; Mr. C. Hap Holliday, San Diego Grocers Association. Each will have a specific message covering an area of interest to you in your over-all operation.

There also is planned free time to be together socially. Plans will be discussed for the future of the Association and election of a board of directors and officers will be conducted.

Of course, the success of the entire meeting will depend on having a good attendance. At this date twenty grocers have applied for membership and have sent in their registrations. Also, six suppliers have applied for associate membership and twenty plan to attend the meeting. We ask that if you know of any company who has not been invited, please contact them. (See enclosed list of companies who have been invited to join)

Registration desk will be open November 2, 1:00 p. m. to 6:00 p. m. and November 3, 8:00 a. m. to 10:30 a. m.

The Board of Directors will meet for lunch at 12:45 p. m. on November 2 and will conduct their business that afternoon. The
